PROUD TO BE A
**COMMUNITY
CHAMPION**

INVESTMENT PARTNER

LET'S WORK TOGETHER TO ENGAGE
HEARTS AND MINDS AND
BUILD A STRONGER COMMUNITY

The generosity of caring businesses like yours can significantly impact our shared future from Lake Louise to Exshaw.

The Banff Canmore Community Foundation (BCCF) is a central, trusted community hub that helps individuals, groups, and donors achieve greater impact by encouraging collective responsibility for our present and future success.

Between 2004 and March 31, 2017, BCCF has invested more than \$1,000,000 into community projects and programs helping the people of the Bow Valley across the following sectors: Arts, Education, Environment, Health, Heritage, Recreation and Social Services.

The Community Champions Program is a new opportunity for businesses motivated by their corporate social responsibility goals to get involved. The Foundation is overseen by a dedicated team of staff and volunteers who administer our annual grants program, pro-actively initiate conversations about philanthropy, and encourage collaborations.

Become a Community Champion

Your gift demonstrates your business' commitment to the Bow Valley. By setting philanthropic goals that are close to the hearts of you and your employees, morale will increase as you send a "proud to invest in community" message to your staff, clients, customers and suppliers.

"We understand that you are a committed community member and that you receive numerous requests for financial support. This program will give you confidence knowing you have a responsible partner to help you deliver your corporate giving strategy."

Lorraine Widmer-Carson
Executive Director of BCCF

"I am happy to trust the Foundation with our dollars through the Community Champions program, knowing that they will invest the money wisely, in support of worthy projects."

Peter Grottenberg
General Manager - Banff Ave Brewing Co.

We celebrate our Community Champions in the following ways:

1. Decals that state “Community Champion Investment Partner” for display in your business.
2. A framed certificate to display in your office or staff room.
3. An exclusive invitation to an annual event for our Community Champion Investors, a select group of business leaders.
4. Invitations to Foundation events such as Kindness Day, Community Grants Reception, and others.
5. Special profile through the Banff Canmore Community Foundation’s print, social media and website.
6. Recognition in our Annual Report to Community (mailed to more than 800 postal addresses across the country).
